which the handler furnishes to the Federal-State Inspection Service.

§ 905.146 Special purpose shipments.

(a) A Special Purpose Shipper is one who handles Florida citrus fruit that is certified by a Florida Department of Agriculture and Consumer Services licensed certifying agent as organically grown under Florida law. In addition, the shipper shall certify that shipments will be limited to outlets handling organically grown fruits. Any such shipments shall be subject to a Certificate of Privilege issued by the committee.

(b) To qualify for a Certificate of Privilege, each such shipper must notify the committee prior to the first shipment of certified organically grown Florida citrus fruit in the fiscal period of the shipper's intent to ship such citrus, submit an application on forms supplied by the committee, and agree to other requirements as set forth in §§ 905.147 and 905.148 inclusive, with respect to such shipments. The shipper shall certify that no claims will be made, written or verbal, concerning any alleged advantages of using, or any alleged superiority of, fruit shipped under a Certificate of Privilege, compared to other Florida produced citrus.

(c) Citrus meeting all other applicable requirements may be handled without regard to grade regulations issued under § 905.52 under the following conditions:

(1) Such fruit meets requirements of the U.S. No. 2 Russet grade and those requirements of the U.S. No. 1 grade relating to shape (form) as such requirements are set forth in the revised U.S. Standards for grades of Florida Oranges and Tangelos (7 CFR 2851.1140 through 2851.1180), the revised U.S. Standards for Florida Tangerines (7 CFR 2851.8180 through 2851.1835), or the revised U.S. Standards for Grades of Florida Grapefruit (7 CFR 2851.750 through 2851.784). Such fruit meets applicable minimum size requirements in effect for domestic shipments of citrus fruits.

(2) All such citrus shall be inspected as required by § 905.53 by the Federal or Federal-state Inspection Service prior to the time such citrus is shipped from

the packing facility, and certified as meeting the applicable requirements.

(3) Be reported as required in § 905.148.

§ 905.147 Certificate of privilege.

(a) *Application.* Application for Certificate of Privilege by a Special Purpose Shipper shall be made on forms furnished by the committee. Each application may contain, but need not be limited to, the name and address of each handler; a list of certified organic citrus fruit growers, including addresses; a list of receivers; the quantity and variety of citrus to be shipped; a certification to the Secretary of Agriculture and to the committee as to the truthfulness of the information shown thereon; and any other appropriate information or documents deemed necessary by the committee or its duly authorized agents for the purposes stated in § 905.146.

(b) *Approval.* The committee or its duly authorized agents shall give prompt consideration to each application for a Certificate of Privilege. Approval of an application based upon a determination as to whether the information contained therein and other information available to the committee supports approval, shall be evidenced by the issuance of a Certificate of Privilege to the applicant. Each certificate shall expire at the end of the fiscal period.

(c) *Suspension or Denial of Certificate of Privilege.* The committee may investigate the handling of special purpose shipments under Certificates of Privilege to determine whether Special Purpose Shippers are complying with the requirements and regulations applicable to such certificates. Whenever the committee finds that a Special Purpose Shipper or consignee is failing to comply with the requirements and regulations applicable to such certificates, the Certificate of Privilege issued to such Special Purpose Shipper may be suspended or, in the case of an application for the issuance of an initial Certificate of Privilege, may be denied. Such suspension of a certificate shall be for a reasonable period of time as determined by the committee, but in no event shall it extend beyond the end of the current fiscal period. In the case

of the denial of an application for the issuance of an initial certificate, such certificate shall be denied until the applicant comes into compliance with the requirements and regulations applicable to such certificates. Prior to suspending or denying an application for a Certificate of Privilege, the committee shall give the shipper or applicant reasonable advance notice in writing of its intention and the facts and reasons therefor, and afford the shipper or applicant an opportunity, either orally or in writing, to present opposing facts and reasons. The shipper or applicant shall be informed of the committee's determination in writing and in a timely manner.
